- >Spend all my life being told by my parents that I'm smart.
- >Teachers tell me I'm smart.
- >Social retard, but get good grades.
- >Fall for the "must just be a tortured genius" meme.
- >Double down on academics and completely ignore social development since I've convinced myself in to thinking others are just too dumb to get me.
- >Get straight As all through school, which only reinforces this.
- >By college, still being a virgin weighs on me, but at this point I've resigned myself to the life of a scholar so I ignore it and work even harder.
- >At least being smart makes me special.
- >Get straight As through undergrad, majored in chemistry.
- >Do great on the MCAT.
- >Get in to med school.
- > Surprise. Everyone here is smart as fuck. I'm probably
